Everything We Need

His divine power has given us everything we need for a godly life through our knowledge of him who called us by his own glory and goodness. 2 Peter 1:3

Our beloved church is in the midst of a pretty big transition. We are emerging out of a pandemic and all the disruption is caused. Your pastor of twelve years is moving on. And once "the dust settles," Mount Hermon will need to ask herself of all the wonderful ministries to pursue and the various ways to pursue them, who will Mount Hermon be for God's Kingdom and this neighborhood.

These are momentous, traumatic, but also exciting events. I hope that Mount Hermon can take the time to process them, pray over them, and discuss them with one another. With God guiding you, nothing is stopping you from taking the time Mount Hermon needs to walk through the myriad of questions and hopes and dreams deliberately and together.

One thought you may have, a thought that has come up occasionally, is that if only Mount Hermon had a few more members, or was a little more financially secure, or in this case had a permanent pastor, then we could be an effective church. The fact is that God have given Mount Hermon everything she needs to be effective in living the Gospel and proclaiming the Gospel.

Our Holy Scripture is littered with examples of God using individuals and groups who in the eyes of the world did not have the resources needed to change the world. Then God would take them in their deficiencies and accomplish amazing wonders through them. Take Joseph, a man sold into slavery and left to rot in prison. And yet God used Joseph to change the course of the world. Joseph had all he needed. Mount Hermon has all she needs.

In the end, this small church has a big Gospel that changes lives. I would take that over a big church with a small Gospel seven days out of the week. You are enough for God to use. Let God's glory and goodness shine through you.

In Christ, Pastor Rich

OUTREACH

What If

What if every member of Mount Hermon walked with Jesus every day and followed His every direction and loved every person who needed a Jesus hug? What would happen in our community? We would look like the church at Pentecost! As the old timers used to say, we would have a strong revival fire on this hill overlooking Old NC 10. We are looking at that possibility as we study Richard Stearns book, "The Hole in Our Gospel" on Wednesday night. We are asking that you pick up a copy of the book and read through the first two sections by 8 June. You will enjoy the book but it's important that we employ the book. The study is intended not to be a study but a way to get things done in our community/ state / nation/ world.

Missions simply change the character and effectiveness of the local church. We don't need to plan a revival, by following the commands of Jesus, we will experience a revival. Come join us on Wednesday nights. Together we can change our community and bless this community with the love of Jesus.

Children and Youth Ministry

Hello all! VBS is coming soon! I have been so encouraged by the support that this church has shown to VBS. We have been working hard to get the event

ready! If you are unable to volunteer and still want to help, there will be opportunities for you all to help supply us with the materials that we need to make this event happen. If you are interested, please let Teah or me know so that you can see what needs to be supplied. On another note, we will have a grownups night off on Father's Day for our church and our community from 4-7 pm. We also have a zoo trip on June 22nd that will be open to our students, some of the older VBS participants, and Yates students. We will go to the NC State Zoo, leaving at 10 am, packing a sack lunch, and returning before choir practice at 7.

If you are interested in helping out with any of these activities or have any questions, please reach out to me.

Thank you all so much for all that you do for the student ministry at Mount Hermon Baptist Church.

Blessings, Brydon John DeWitt
